

10 Tips for making your Crocodile Encounter party great

1. Please provide a close parking place for use to pull into when we arrive.
2. Children 2 years of age and under are not permitted to have contact with the animals.
3. Children need to sit single file so they all can have a 'front' seat. This prevents us having to carry an animal over a child as well.
4. Please do not allow children near the animal boxes while we are loading and unloading.
5. Please no eating during the show.
6. Parties work best when they begin 30 minutes prior to our arrival.
7. Tipping of the presenters is always appreciated.
8. Have the birthday child sit near the center of the group as they will have a role in the show.
9. It is best not to have a bounce house near the show location.
10. Plan to have FUN!
